NAWCC Chapter 31

TIMEOUT

May, 2010

President's Message

Monthly Meeting Time: Please note that our monthly meeting is always on the third Sunday and opens with the mart at 2:00 pm, and the business and program convening at 2:30 pm. Please watch in the TimeOut for meetings at the Beaverton Library or other locations.

THIS and THAT

THE APRIL MEETING: On Sunday April 18th, we had our monthly meeting at the Beaverton Library. David Jacobs presented a wonderful program on Time Keeping throughout the centuries. If you missed the meeting, you missed a wonderful program. Thank you David!

NO MAY MEETING: Due to a date conflict with the 2010 Regional in Spokane, WA, we will hold our May meeting at the Regional location. We will have a change of Chapter offices.

PACIFIC NW REGIONAL: Don't forget the Pacific NW Regional being held in Spokane, Washington on May 20-22, 2010. Some of the activities such as the Western BBQ and Ice Cream Social should not be missed. With over 200 tables, you should find a treasure for your collection, or perhaps sell some of your clocks and watches. Get your reservations in as soon as possible! This will be the last year that the regional will be in Spokane.

WORKSHOP: The next Workshop will be on Saturday 5th June 2010, and will instruct you on re-pivoting a clock arbor, part 2. You will need to bring your lathe, sharp gravers, and collets; other materials needed are supplied. Please bring your nail that h Registration form is in this TimeOut and is required if you plan to attend this Workshop. We have 10 members registered. Please note: **FROM MIKE: Just would like to add that I'd want everybody to put a 1.40 mm pivot on their nail and bring it to the workshop. This is what we'll repivot**

NAWCC NATIONAL CONVENTION: The 2010 NAWCC National Convention will be held on June 16-20 at the Toyota Arena in York, Pennsylvania. This is a short distance from Columbia where NAWCC is headquartered, and home of the clock museum.

PNW REGIONAL 2011 PLANNING: Chapter 31 will host the next regional in 2011. We have a contract signed and will soon start our monthly planning meetings. I will be contacting the various chairmen, hoping you will again help with the regional.

FAVORITE CLOCK: If you have a favorite clock or horological story to share with the chapter, please contact either Jeff Major or myself and we will help in preparing it for printing in the TimeOut, within reason of course

LASTLY, THANK YOU! This will be my last President's Message. As we all travel down the road of life, there are often rocks in the road and other times it is finely paved. My tenure as NAWCC Chapter 31 President was a smooth one and I have its members to thank. A thank you to each and every one of the Chapter 31 members for making our chapter what it is! My two-year term ends in May, and it seems that I just started the position, and now it ends. Time has quickly passed, and now the capable Mary Gonzalez will be your new Chapter President, George Matto VP.

Regards to all,

Terry White, Retiring President, Chapter 31
