NAWCC Chapter 31

TIMEOUT

November 2010

Presidential Message

I hope that all of you that attended the Multi-Chapter meeting in September had a great time. I know that I did! It was so nice seeing people from northern Washington and Idaho too!

It was with great sorrow that we heard of the loss of long time member Bus Beane. He was always so friendly, especially to new members and a very humble guy. He will be missed.

The next regional meeting will be held Sunday, November 21st at 1 pm at the Gresham Historical Museum with a regular meeting to follow. See address below.

Our next meeting will be held at the Gresham Historical Museum, 410 North Main Gresham, OR. (This is between Powell and Division)(The museum presently has the M&F Master clock, which we have been attempting to find a new home for.) Plan to attend and see the clock that Chapter 31 is caretaker of and find out how you can become part of the maintenance team of this clock and the OMSI tower clock. Mart at 2pm and meeting at 2:30pm.

Save the date! Jan. 8th, 2011 is the next workshop that will be tentatively at the Monarch Hotel and taught by Bob Arnold. It will be on wood works movements. Sort of like the care and feeding of your wood works clock.

Have a great month and see you at the November meeting!
