Presidential Message

August 2011

We had such a wonderful meeting at the Monarch in July. The program presented by Merle Snell was fantabulous! The program on Japanese Automon's was amazing!! The time went by so fast that Kay had to interrupt the presentation or we would have gone over time. I was the most fascinating programs that I have ever watched. I want to thank Kay, our programs chair, and especially Merle and Kay Snell.

Don't forget the annual picnic in August at the home and museum of John Pohlpetter. Look for more information in the newsletter and website!

Shortly we should be seeing information from the chapter in Bremerton about the September Multi-chapter meeting. Keep a look out!

The registration form for the 2012 National in Pasadena will shortly be on the website. This is the first time in many years that a national will be held on the west coast. Don't miss it!

A few weeks ago Jeff and I were invited for a trip on Engine #4449 plus many passenger cars to Wishram, Washington with a lunch catered by Buster's BBQ. What a fun and relaxing trip that brought thoughts to me of how travel by rail, the railroad grade pocket watch, and station regulators impacted the standardization of time in the United States for the last 160+ years. Relaxing on the train really brought this history in mind. You should try travel by rail.

Sincerely,

Mary Gonzalez

President, Ch. 31
