Presidential Message

October 2011

We were back with meetings at the Beaverton Library in September and had a wonderful program on Electric Clocks by George Kirkwood.

Monthly I have been totally delighted with the talent of our members that have offered to put on programs at the meetings. Really it is talent with a capitol T. These programs have been informative, entertaining, and exciting to listen to and learn from. I want to thank all of you for volunteering your talent and sharing with the chapter. I also want to thank Kay for all of her hard work.

October's program should be just as information and Steve Ford shares his knowledge about mainsprings.

Our Holiday party is coming up in December and I would like to see all of you mark your calendars to come, bring a mart item, have some holiday cheer, a good meal and some entertainment!

Sincerely,

Mary Gonzalez

President, Ch. 31
