Presidential Message

As spring nears, talk of traveling to various NAWCC Regionals can be heard among our members. The Pacific Northwest Regional in Kent, Washington is coming in May and then the Silver State Regional in Sparks, Nevada in August.

For those not at the last meeting, Chapter 135 (Mt. Rainier) are unable to host their Multi-Chapter meeting previously scheduled for late this summer. Thereby, Chapter 31 has stepped up and will be hosting it here in Portland. This one-day event will occur on Sunday September 17th at Monarch Hotel in Clackamas. When a few more items are firmed up, we will have the registration form available. Mart tables will be free providing you purchase a lunch. No lunch, no trade table.

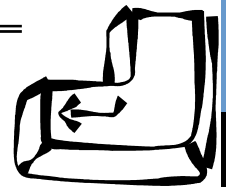

Chapter 31 Board approved the purchase of a laptop computer to be used in conjunction with our digital projector. This will allow the Program Chairman, Dick Vigal the use of a new tool. With this, both PowerPoint presentations, and canned DVD programs from the NAWCC Lending Library can be viewed on a stand-alone projection screen. The purchase has been made, software loaded, and PowerPoint presentation tested. Now we need to connect the computer to the digital projector and do the final test. Written instructions will accompany the computer, showing how things are to be connected. The instructions are written with the assumption that you know how to run Microsoft Office applications. The projector and computer will be in the custody of the Program Chairman.

Remember, no regular meetings in March and May, see coming events.

Terry White
Vice President Chapter 31
