PRESIDENTIAL MESSAGE

AUGUST 2006

The heat is on! Start planning for the next two monthly events. Picnic in August at John Pohlpeters and the multi chapter meeting at the Monarch in September. Remember, the August picnic Mart items are not limited to horological items.

Both events are social type activities and an excellent time to meet the family of members.

At the July meeting, two new directors were voted in; Jeff Majors and Leo Freirmuth.

I look forward to working with you both. Remember, your attendance at meetings and other functions shows support for these directors and other leaders.

WHO WILL BE FIRST?

We would like to start a new feature called

"Clock of the Month?"

But, we need your help!

We would like to ask members to submit a photograph and a short write-up of one of their clocks. (Word limit of 350) If you would like to have a clock featured in the **"Clock of the Month"**, but don't feel like you can write and/or take a picture of your clock, we can have a chapter officer who can come to you to take the photo and do the writing.

So, what do you say?.....Interested?
