NAWCC Chapter 31

TIMEOUT

June, 2008

Special Regional Edition

President's Message

A change in Chapter 31's "Guard" took place at our May meeting, which was held during the 2008 regional. I would like to thank Harold Baesler for the excellent job of Chapter 31 President for the last two plus years. Mary Gonzalez deserves big thanks for the many years and tremendous work as Chapter 31 Secretary. Lastly, Dick Vigal gets a big thank you also for the wonderful programs he managed to schedule for our monthly meetings. A special welcome to the

Chapter 31 incoming officers, Mary Gonzalez Vice President, Kris Freiermuth Secretary, and Dave Jacobs Program Chair. I am looking forward to working closely with you as we take our chapter through the next two years.

I would like to thank all the chapter members who served on committees that made the 2008 Pacific Northwest Regional a success. Without your excellent help, our regional would not have been so successful. For those serving on the planning committees, the "Wrap Up" party and debriefing will be on July 19th, further information to follow. As you know, the regional was open to the public on Saturday, they came, and they bought. We had 410 registered NAWCC members, and 107 from the public sector making a total of 517, a 10% increase in attendance from our 2005 regional. Congratulations to all! The 2009 regional will be in Kent, WA and 2010 in Spokane, WA.

Watch for additional information on our Chapter 31 picnic coming up on August 17th at the home of John Pohlpetter. Also mark your calendar for the Chapters Christmas party at the Monarch being held on Sunday December 21st. Both events usurp our regular monthly meeting at the Beaverton Library.

Finally, for those who may not have heard, Dave Hong passed away during the last week of May after a battle with cancer, our condolences to his family.

Terry White
Chapter 31 President

Pacific Northwest Regional Recap

From the Co-Chair

In my humble opinion, this was the most successful regional we have put on since I joined Chapter 31 in the early 90's with more new innovative ideas and more material than I have ever seen at one of our regionals. The turnout was exceptional due in no small part to the Saturday public admission. Without exception everyone I have talked to has agreed. All this was due to several factors.

First we had an exceptional team and we should all be proud of every one of them. They all deserve the credit for this success. Terry White did an outstanding job as Regional Chair but we also need to mention Kris and Leo Freiermuth who did all the hotel arrangements and all the meals, which were excellent. Carolyn White was a great help in assisting Kris with the Salmon Luncheon and Banquet. Paul Drake did a great publicity job which accounted for the 100 plus attendees on Saturday. Also Charlie Schubert for many of the innovative ideas which have never been tried before including the wheel, the book sale, the raffle tickets which were a novel idea, the Red Barn participation in the salmon luncheon etc.. Everyone did great in their handling of their functions whether it was Dan Miller with the Security or Mark DeAtley and Jeff Gonzalez handling the Mart or Bill Butcher and Jeff Major with the programs or George Matto with assisting Bill Butcher and procuring the small flashlights or Betty Chisum with the finances or Pat and Shirley Cavanaugh with the display or Mary Martin and Mike Robinson with the registration, no small task, or Marietta Matto for helping at the registration table or Al Pohlpetter with the silent auction or Harold Baesler and George Kirkwood who did the great signage or John and Carol Bailey for their great management of the hospitality lounge.

Also those individuals who I may have overlooked but who are so essential for a good regional like the red caps and volunteers at the silent auction and other functions. Secondly we have an excellent venue in the Monarch. This is a treasure and we all know it and appreciate it and the staff there deserves commendation from Chapter 31 for all their efforts to make things very nice. Thanks everyone for a splendid time and I am already looking forward to the next regional, are you?,

Dick Vigal

Special thanks to Pat & Shirley Cavanaugh for the wonderful Mystery Clock Display.

Pacific Northwest Regional Recap

I thought the regional was very balanced both in content and attendance. I was very concerned the members would not come because of gas pricing. Partially that was true, as I did not see as many members from California or Washington as usual. The Programs were varied and well attended.

Mart central went well with a few exceptions. Our successes were the book sales, the table cover sales, prize wheel, and the door prize pick up display. It would have been better to put out fewer prizes at a time so that the better prizes would have lasted longer. The same was true of the book sale, the extra displays of the Pendleton blankets, Junior Horologists learning Program.

The Chapter157 Craft Contest Clock gave visual interest to mart Central.

Last I would like to especially thank Mark DeAtley and Brent Losey who stood watch at mart Central and really made it a success

Charlie Schubert
Prize and Mart Central Chair

Hey Carolyn — I found the most amazing clock. Can you transfer some money to my account?

I must congratulate Terry White for a well organized and successful PacNW regional. The support and cooperation from the committee members that he got is a good indication that he will get the same support as President of Ch 31. I look forward to working with Terry the next 2 years,

I enjoyed my visit with Phil Gregory, chairman of the NAWCC board, during the trip from the airport to the Monarch. He is a remarkable leader and I can see great growth in the NAWCC.

Thank you again to all the officers, directors and chair people who worked with me the past 2 years.

Harold Baesler
Past President, Ch 31 NAWCC
