NAWCC Chapter 31

TIMEOUT

March , 2009

President's Message

Monthly Meeting Time: Please note that our monthly meeting opens with the mart at 2:00 pm, and the business and program convening at 2:30 pm.

I am sorry that we missed the February meeting and lunch held at the Monarch hotel. The word received was that everyone had a good time, the buffet lunch was wonderful, and mart items changed hands. This theme is well accepted, and let us plans it again for February 2010. I would like to thank Kris and Leo Freiermuth for making arrangements with the Monarch.

March Meeting: Will again be at the Beaverton Library on March 15th, note times above.

This and That: The **June 6th 2009 Workshop** has scheduled with the Monarch so see for the registration in the TimeOut. Presented at this workshop will be shaping and sharpening cutting tools for use with the jeweler's lathe, and their use. Small metal and wood parts will be turned illustrating the use of your lathe. Now that you have your lathes cleaned and oiled, why not learn how to use them!

The Inland Empire NAWCC Chapter 53 will be holding their annual Multi-Chapter Mart and meeting on **March 22nd and 23rd in Connell, Washington**. The famous Saturday evening spaghetti dinner and program gets things started off, something you won't want to miss. This is a fun event with lots of good horological items being sold. For those with an RV, Coyote Run RV Park is a new park in Connell and can be contacted at toll free 877-273-9484.

Also mark your 2009 calendar with **May 15-17 for the Pacific Northwest Regional** being held at the Kent Commons in Kent, Washington. Registration form can be found in the Mart magazine that accompanies your NAWCC Bulletin.

I received e-mail from Puget Sound Chapter 50, and they will be hosting a **Multi-Chapter meeting in September**. Further details will be forthcoming when finalized by their chapter, so watch for information in upcoming TimeOut.

If you have a favorite clock or horological story to share with the chapter, please contact either Jeff Major or myself and we will help in preparing it for printing in the TimeOut, within reason of course.

Terry White
President of Chapter 31
