President's Message — Terry White

Monthly Meeting Time: Please note that our monthly meeting opens with the mart at 2:00 pm, and the business and program convening at 2:30 pm.

This and That: As mentioned else where in the TimeOut, our June Workshop was a huge success, with some of the Chapter members traveling the distance to attend. We had thirteen sign up to learn how to turn items on the jewelers lathe, both metal and wood. I want to thank Mike Robinson for his effort in passing along his knowledge in the use of the lathe.

Another Workshop will be held in either October or November and will carry on the theme the jewelers lathe. Watch future TimeOut for details.

HELP NEEDED: We are in the need for a "Program Chair" as Dave Jacobs resigned due to professional commitments. Dave has done a wonderful job and his hard work is greatly appreciated, Thank you! So if you have a desire to help the Chapter, please contact me.

Please note we are having some monthly meeting location changes coming this fall. August is our annual picnic, and will be held at John & Mary Pohlpete's home watch the TimeOut for further details.

SEPTEMBER MEETING! The Beaverton Library is unavailable for the September meeting, so instead, Chapter 31 will be visiting Salem Chapter 157. The meeting will be on Sunday September 13th with the Mart starting at 1:30 with meeting at 2:00. The location is at **Fresh Start Market** at 3020 Center St. NE. Take Exit 256. If coming south from Portland follow signs to City Center and merge onto Market St. NE. Turn left at Hawthorne Ave and right on Center Street. Check out their web page at www.nawcc.org/chapter157 for further details.

Please note: Starting this October, we will annually hold five meeting/lunch events at the Monarch Hotel, which also includes our Christmas party. If you plan to attend, you must fill out the registration found in the TimeOut then mail it and your check to Kris in a timely manner. An accurate headcount is needed so the Monarch can prepare the correct number of meals. Thank you Kris & Leo for your hard work on this task!

By now all of Chapter 31 members should have received the revised membership directory. Vandals broke many of the headstones in the Old Bristol North Cemetery, and Joseph Ives was no exception. After a lengthy search, we located Ives headstone, broken and lying face down on the ground. I went to the car and retrieved a bottle of water, washing the dirt away, thus the photograph with the two tone color. Placing the broken stone to its original position, I snapped the photograph. You will notice a hand in the top left holding the broken piece that is Carolyn's hand. After the photograph, we returned the broken stone as it was found.

We walked through another Bristol cemetery and it was like reading "Who's Who" in the clock-making world. If you have the opportunity to visit Bristol, walk through the local cemeteries, you won't be sorry! We spent about \$1.70 per directory, including postage. Our membership chair, John Bailey is the keeper of the extra copies and will provide our new members with one enclosed in the "new membership" packet. Thank you John.

Remember, the Puget Sound Chapter 50 will be hosting a **Multi-Chapter meeting in September.** Please watch the TimeOut for further details.

If you have a favorite clock or horological story to share with the chapter, please contact either Jeff Major or myself and we will help in preparing it for printing in the TimeOut, within reason of course.

The regular meeting of NAWCC Chapter 31 was held at the Beaverton Library. It was called to order at 2:35 PM by President Terry White. 14 members in attendance. A forum was not present.

Approval of Minutes - April minutes were tabled until the July meeting due to the lack of a forum.

Treasurer's Report - Tabled until July Meeting.

Sunshine Report - Mark de Atley had a motorcycle accident while making an 8,000 mile tour of the US. Mark is OK, but his bike was damaged.

Membership Report - John Bailey had passed along to Terry W. that we had two (2) new members.

Outside Activities Report - Leo Freiermuth reported the Annual Picnic will be held at John & Mary Pohlpete's on Sunday the 16th of August (the Chapter's regular meeting date). The picnic will be a BBQ, Terry W. will take care of purchasing the refreshments and Leo F. will purchase the BBQ selections of hot dogs, hamburgers and chicken. John P. has the BBQ to handle the preparation.

Old Business -

Pacific NW Regional - David Jacobs reported on the PNWR held in Kent Washington. He thought it was small, but Dick Vigal reported he had sold quite a bit.

The June 6th Work Shop was very successful. Several attendees mentioned they were looking forward to another workshop soon. Terry W. announced he and Mike Robinson have discussed organizing another Work Shop in October or November. The subject would be "Work Holding Devices." Harold Baesler suggested a Work Shop on bushing work for spring drums and arbors would also be of interest.

Discussion concerning the **October 18** - Chapter 31 Luncheon Meeting at the Monarch Hotel took place. It was decided a flyer along with the appropriate registration for the luncheon be used.

Action Item: Kris Freiermuth will make up a flyer and send it to Jeff Major's for mailing.

Terry W. announced the roster of the membership had been completed and mailed about three (3) weeks ago. He reminded members if they had not received their roster they should contact him or John Bailey.

New Business - None was entertained.

Program - David Jacobs had planned a program about Duane Church, Inventor and the Waltham Watch Company, however due to technical difficulties the program will be shown at a later time.

The meeting was adjourned at 2:55 PM.

NEXT MEETING: SUNDAY 19th of July at the Beaverton Library

Respectively submitted by Kristen Freiermuth, Secretary

Lathe Workshop, June Program, Monarch Hotel

Well attended by 13 members where they learned to make and use 'gravers'.

Our Chapter 31 program for the July meeting will be a DVD Presentation from NAWCC on the contributions of Waltham Watch Company employee and inventor Duane Church. Mr. Church was responsible for many innovative features incorporated on the Model 1883 and 1892 18 Size Walthams, and these became the standard for most Waltham watches from that point on. These inventions included new and improved stem winding and precision timing regulation systems.

Show and tell will be for the letter "D" . Bring a clock, tool or other Horological item associated with "D" to entertain and educate the group. See you there
