SEPTEMBER MEETING! The Beaverton Library is unavailable for the September meeting, so instead, Chapter 31 will be visiting Salem Chapter 157. The meeting will be on Sunday September 13th with the Mart starting at 1:30 with meeting at 2:00. The location is at **Fresh Start Market** at 3020 Center St. NE. Take Exit 256. If coming south from Portland follow signs to City Center and merge onto Market St. NE. Turn left at Hawthorne Ave and right on Center Street. Check out their web page at www.nawcc.org/chapter157 for further details.

MULTI-CHAPTER MEETING: Sunday **September 13th**, Chapter 50 will hold the Multi-Chapter Meeting at the Best Western Executive Inn, 200 Taylor Ave N, Seattle, 98109. It is in the Seattle Center area (Space Needle). We will host a brunch and the Mart opens at 9 AM. If you have any questions, please call Jerry at 425-776-6822.

Please note: Starting this October, we will annually hold five meeting/lunch events at the Monarch Hotel, which also includes our Christmas party. If you plan to attend, you must fill out the registration found in the TimeOut then mail it and your check to Kris in a timely manner. An accurate headcount is needed so the Monarch can prepare the correct number of meals.

If you have a favorite clock or horological story to share with the chapter, please contact either Jeff Major or myself and we will help in preparing it for printing in the TimeOut, within reason of course.

The Chapter picnic was again a success, with a thank you to John and Mary Pohlpetter for hosting our annual event.

HELP NEEDED:

We are in the need for a **"Program Chair"** as Dave Jacobs resigned due to professional commitments. We also need a member to run our meeting raffles. Anybody interested? So if you have a desire to help the Chapter, please contact Dave Jacobs or me.

We are also in need of a **"Door Prize Chair"** to fill in for Jeff Gonzalez. Without this position, the monthly book raffle will end.

Terry White, President of Chapter 31

UPCOMING HOROLOGY WORKSHOP

Saturday October 3rd, 2009
1: 00 to 5:00 pm
at Monarch Hotel, Clackamas, Oregon
Presenter: Mike Robinson

As we ran short of time at the last workshop, I will try and round up some stones and graver holders, and we can, time allowing, hone the gravers you made last time. The better the edge, the better the finish on your turned part.

Then, we will cover "workholding for the lathe". We'll cover collets, cement brasses, chucks (both 3 and 4 jaw), Jacobs chucks, pot chucks, face plates, cat heads, steady rests, how to make workholding devices for specific jobs, how to make support tools for specific jobs, turning between centers, and anything else you, the raptly spellbound audience, can come up with for questions, suggestions, or problems. A lot of the approach will be how to get a job done with what you have available, rather than how to go buy a lot of expensive equipment.

Those who bring their lathe will have an opportunity to make some of the demo items shown at the workshop.

Registration is required so we know how many chairs will be needed.

Please reserve me a chair at the Horology Workshop

Remembering Patrick Cavanaugh 1930 — 2009

Our fellow member Pat Cavanaugh ended his battle with cancer on August 25, 2009 in Silverton, Oregon. To all that knew him it was obvious that the NAWCC was very important to Pat. Whether it was a chapter meeting, multi chapter, regional or national convention, there you would find Pat and Shirley.

Since retiring from the Air Force in 1976, they traveled together to national conventions and their favorite regional's, where Pat was known by his many friends as the "Clock Doktor"

Throughout this trying time Pat remained upbeat about his future. At the Chapter 157 picnic on August 9, Pat asked Marianne and I to come over to their table and eat lunch with him and Shirley. When asked if he was still planning on giving the program at the chapter meeting in September, he said - "SURE".

This was typical of the dedication and dependability of this man. When there was a job to be done, Pat would volunteer with out hesitation. Pat always generously offered his home and shop as a place to hold a class or workshop. Pat gave freely of his time and talents to NAWCC, his church and the community. His presence will be missed.
