TIMEOUT

November , 2009

President's Message

Monthly Meeting Time: Please note that our monthly meeting opens with the mart at 2:00 pm, and the business and program convening at 2:30 pm.

THIS and THAT

WORKSHOP: The next Workshop will be on Saturday 6th March 2010, and will instruct you on re-pivoting a clock arbor. You will need to bring your lathe and collets; other materials needed are supplied. Registration form is in this TimeOut and is required if you plan to attend this Workshop.

THE OCTOBER MEETING held at the Monarch hotel was a success. The mart consisted of approximately 6 or 7 tables filled with clocks, watches, books, and tools. After shopping the mart, our monthly meeting was convened and followed by a luncheon. The meal was the usual good one as the Monarch always puts out. Door prize and raffle followed the meal, and then the mart was active again. We had 35 meals served, so the turnout was excellent. A special thank you to Kris and Leo for their planning this event.

THE NOVEMBER MEETING will be back at the Beaverton Library.

THE DECEMBER MEETING/CHRISTMAS PARTY will be held on Sunday 20th of December at the Monarch Hotel, see the TimeOut for registration form.

RAFFLE/DOOR PRIZE CHAIRMAN: Most of you met our new door prize chairperson at the October meeting. Denise Johnson recently joined Chapter 31 and saw our plea for volunteer help. She is also a student in the local clock repair class for about the past year.

HELP NEEDED: We are in the need for a "**Program Chair**" as Dave Jacobs resigned due to professional commitments. So if you have a desire to help the Chapter, please contact Dave Jacobs or me. Anybody interested?

OTHER NEWS: Dick Vigal wanted to personally thank those who attended the "Remembrance of Phyllis Vigal" held at their Vancouver home on Sunday the 25th of October. As I am sure you all know, Phyllis had hip surgery and later passed away from a massive stroke. Chapter 31 members gathered together and had a potluck meal, which was also attended by Dick's daughter Susan, his brother Bob and sister-in-law, and a few of their neighbor friends.

LASTLY: If you have a favorite clock or horological story to share with the chapter, please contact either Jeff Major or myself and we will help in preparing it for printing in the TimeOut, within reason of course.

Terry White, President of Chapter 31

Chapter 31 will be holding a

Workshop on how to replace a broken pivot!

Saturday March 6, 2010

1:00 pm - 5:00 pm

Monarch Hotel, Clackamas, Oregon

Have you ever wanted to repair a broken pivot on a clock arbor but didn't know how or where to start?

We'll bring your lathe plus collets and learn how to re-pivot an arbor. Make certain that you also bring sharp gravers, something you made in past workshops. Mike Robinson will take you through the steps on this clock repair task.

Other needed materials provided.

Registration is required so we know how many chairs will be needed.

Please reserve me a chair at the March 6, 2010 Horology Workshop
